SAFETY, HEALTH, & ENVIRONMENT INFORMATION
Based on the use of experienced and competent contractors working to an approved method statement unusual residual hazards / risks are identified as per the following symbols:

- We use this symbol to give warning of significant hazards or information which is unusual
- We use this symbol to encourage a particular action
- We use this symbol when we want you to avoid something or refrain from a particular action
- We use this symbol when we want to convey some relevant CDM information

The design team have highlighted unusual and significant risks only that may not be obvious to a competent contractor. They are to assist with risk reduction only and are not necessarily comprehensive.
