Yes that date is fine by me Jonathan so in effect can we agree that Pods would have to be removed by February 1<sup>st</sup> 2024?

Thanks Chris

Hi Chris,

My client is happy to agree the occupancy condition below and can we agree a start date for the 18 months from 8 August?

Many thanks for your efforts in getting us to this point.

Kind regards,

Hello Jonathan

Please see the attached EA response.

Overall they support the application but subject to a temporary period of 18 months

They also suggest they be occupied by persons displaced from other areas of the site

Can you advise when the 18 months will expire so I can condition it accordingly, and secondly if your client will accept a condition that they only be occupied by staff that would otherwise be accommodated on the main site.

As an aside our Emergency Planning officer is happy with the FWAP contained as Appendix D in your latest FRA

Wait to hear

Thanks Chris

Apologies, that was the combined document, so no separate appendices to send.

Good morning Chris,

Further to the EA objection to the above application, please find the enclosed FRA.

I will send the appendices under separate cover.

To allow the EA time to review and us to further discuss the application in due course, would you be happy to extend the target decision date to 29 July 2022?

Kind regards,
