Dear Sir,

APPLICANT: MBNL,

PROPOSAL: Determination of whether or not prior approval is required for the siting and appearance of the proposed pole to the maximum height of 25m to be installed on a new pad foundation and associated works.

LOCATION: BUTLINS FUNCOAST WORLD, ROMAN BANK, INGOLDMELLS, SKEGNESS, PE25 1NJ

Thank you for your application, which I received on 11/09/2020.

We have decided that you do not need prior approval for the siting and appearance of the proposal as shown in the application shown above. As a result, work can begin on this development in line with the details sent with the application or as we have otherwise agreed in writing.

You must begin the development no later than the end of five years from the date on which we received your application.

Yours faithfully
